

"P-32" Contractor Kits

for use with Airswitch Model AFS-A

L - Bracket

Impact Probe

U - Bracket

Static Probe

Cleveland Controls Air Flow Sensing Switch Model AFS-A can be ordered in a "P32" kit consisting of a Model AFS-A Air Switch, a static or impact probe of either four or six inch length, and a "U" or "L" mounting bracket with a set of components to install it in most standard applications. Kits are packaged in compact cardboard boxes designed for the contractor's convenience. Each box is specifically labeled. Custom label requirements (such as barcoding, proprietary part numbers and logos) can also be provided. **To order, select the appropriate kit from the table.**

Model Number	Bracket	Probe
AFS-A-P32-U-4I	U	Impact, 4"
